The game was developed with the development team “Elden Ring Game” and is being published by Japanese developer “cocos”. In the game, you gain power by defeating monsters and absorbing their vitality. As you battle monsters, your skills and the items you use augment, and you evolve to strengthen your skills and weapons. To raise your strength, you will select one of four characters and gear them with weapons and armor. As the battles begin, you will be given a randomly determined set of skills and magic to use. You will be able to freely control your actions during your turn. Skills and spells are enhanced as you succeed in battle. Encounter monsters that have a unique role in battle, and pull the power of monsters for use in battle. Use Items to combat that are equipped. You can use the items you have equipped during your turn as necessary. Use the three-dimensional dungeons that you explore to make your own path to battle.

WHAT KIND OF GAME IS THIS? Welcome to the virtual world of the ELDEN RING! In this high fantasy RPG, you adventure across a vast world to battle monsters! By battling monsters and absorbing their strength, you gain power and evolve to become stronger. As your strength increases, you learn to use more powerful skills and enjoy the freedom to make your own adventures! You can select a character and gear your character for battle. When you play, you will be given a fully customizable set of skills and magic to use during your turn. You can also choose the order in which you want to use your skills in battle. You will encounter a variety of threats along your way, such as monsters, bosses, and traps. You will have to fight your way through these. Join other players to travel through the lands and battle in groups. You can play with companions that you can customize with a variety of equipment, which you can spend your hard-earned money on. You can develop your own character and use it to adapt to the game environment. In addition to its skills and abilities, a character has a high level of strength. REGIONS Jasper is an ancient empire in Eastern Tarnished Lands. In this land, the Elden race reached the peak of their power. The people of this land developed with the dragons and made a vast empire. However, after the Elden race lost all of
